## The Academy Charter School presents the following opportunities:

### EOP eligible or want to know if you are?

Thursday, February 3, 2022

Learn about your eligibility for EOP, the campuses that offer the program, how to apply to, and all the perks that come along with gaining acceptance into this program! The session will be led by EOP directors at SUNY Albany and SUNY Farmingdale.

### Interested in a career in the Health Sciences?

Thursday, March 3, 2022

Learn about the preparation needed in high school to prepare for a career in medicine or nursing as well as additional pathways for exploration. This session will be led by the Associate Director of Admissions for Nursing at SUNY Farmingdale.

### Concerned about paying for college?

Thursday, April 7, 2022

Learn about the financial aid application, how to interpret financial aid awards, and to prepare for the financial commitments of furthering your education after high school. The session will be led by a member of the financial aid team at Adelphi University.

**Workshops are open to all Academy Charter High School students and their families!**
